1: Visit South Italy – In Autumn 2018 The United Reformed Church Waldensian Fellowship represents the URC and the North Western Synod as the link with the Waldensian Church, the historic and active Protestant Church of Italy. The Fellowship has organised visits to Italy for over thirty years to see historic sites and meet the Waldensians in different places, and would be delighted to welcome new participants. This year, the Fellowship will visit the south of Italy in the autumn.

The visit will start in Calabria, with flights from London Heathrow or Manchester *via* Rome to Lamezia Terme on Monday 24 September. In Calabria, we would meet representatives of local churches, visiting the central town of Cosenza and the historic Waldensian settlement at Guardia Piemontese, and enjoy the spectacular scenery. On Saturday 29 September, the group would transfer to Brindisi, as the centre to visit Puglia. We are still working on the programme balancing the historic alternative sites and the local church communities. Return flights to Manchester and Heathrow, again *via* Rome, on Thursday 4 October.

The tour will be led by the Revd John Bremner, URC minister in Bathgate and for several years a pastor in the Waldensian Church. The arrangements will be made by Prestige Holidays, like our recent holidays. The price will include flights to and from Manchester or London, ten nights' room and breakfast in hotels, transfers from Lamezia airport to hotel, from hotel to hotel, and from hotel to Brindisi airport, and at least one day out by coach. Other local travel will be by public transport. Three evening meals will be included, but lunches and other evening meals will be by individual choice. The price is expected to be about £1,350.

Please come with us! Let us know you are interested in the visit and we will send a booking form.
